- (h) The uniform partnership act, 1917 PA 72, MCL 449.1 to 449.48.

History: 2016, Act 281, Eff. Dec. 20, 2016.

Compiler's note: Enacting section 2 of Act 281 of 2016 provides:

"Enacting section 2. The legislature finds that the necessity for access to safe sources of marihuana for medical use and the immediate need for growers, processors, secure transporters, provisioning centers, and safety compliance facilities to operate under clear

requirements establish the need to promulgate emergency rules to preserve the public health, safety, or welfare."

333.27203 Registered qualifying patient or registered primary caregiver; criminal prosecution or sanctions prohibited; conditions.

Sec. 203. A registered qualifying patient or registered primary caregiver is not subject to criminal prosecution or sanctions for purchasing marihuana from a provisioning center if the quantity purchased is within the limits established under the Michigan medical marihuana act. A registered primary caregiver is not subject to criminal prosecution or sanctions for any transfer of 2.5 ounces or less of marihuana to a safety compliance facility for testing.

History: 2016, Act 281, Eff. Dec. 20, 2016.

Compiler's note: Enacting section 2 of Act 281 of 2016 provides:

"Enacting section 2. The legislature finds that the necessity for access to safe sources of marihuana for medical use and the immediate need for growers, processors, secure transporters, provisioning centers, and safety compliance facilities to operate under clear requirements establish the need to promulgate emergency rules to preserve the public health, safety, or welfare."

333.27204 Medical purpose defense.

Sec. 204. This act does not limit the medical purpose defense provided in section 8 of the Michigan medical marihuana act, 2008 IL 1, MCL 333.26428, to any prosecution involving marihuana.

History: 2016, Act 281, Eff. Dec. 20, 2016.

Compiler's note: Enacting section 2 of Act 281 of 2016 provides:

"Enacting section 2. The legislature finds that the necessity for access to safe sources of marihuana for medical use and the immediate need for growers, processors, secure transporters, provisioning centers, and safety compliance facilities to operate under clear requirements establish the need to promulgate emergency rules to preserve the public health, safety, or welfare."

333.27205 Marihuana facility; ordinance; requirements.

Sec. 205. (1) A marihuana facility shall not operate in a municipality unless the municipality has adopted an ordinance that authorizes that type of facility. A municipality may adopt an ordinance to authorize 1 or more types of marihuana facilities within its boundaries and to limit the number of each type of marihuana facility. A municipality may adopt other ordinances relating to marihuana facilities within its jurisdiction, including zoning regulations, but shall not impose regulations regarding the purity or pricing of marihuana or interfering or conflicting with statutory regulations for licensing marihuana facilities. A municipality shall provide the following information to the board within 90 days after the municipality receives notification from the applicant that he or she has applied for a license under this act:

- (a) A copy of the local ordinance that authorizes the marihuana facility.
- (b) A copy of any zoning regulations that apply to the proposed marihuana facility within the municipality.
- (c) A description of any violation of the local ordinance or zoning regulations included under subdivision (a) or (b) committed by the applicant, but only if those violations relate to activities licensed under this act or the Michigan medical marihuana act.

(2) The board may consider the information provided under subsection (1) in the application process. However, the municipality's failure to provide information to the board shall not be used against the applicant.

(3) A municipal ordinance may establish an annual, nonrefundable fee of not more than \$5,000.00 on a licensee to help defray administrative and enforcement costs associated with the operation of a marihuana facility in the municipality.

(4) Information a municipality obtains from an applicant related to licensure under this section is exempt from disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.

333.27206 Rules.

Sec. 206. The department, in consultation with the board, shall promulgate rules and emergency rules as necessary to implement, administer, and enforce this act. The rules shall ensure the safety, security, and integrity of the operation of marihuana facilities, and shall include rules to do the following:

- (a) Set appropriate standards for marihuana facilities and associated equipment.
- (b) Subject to section 408, establish minimum levels of insurance that licensees must maintain.
- (c) Establish operating regulations for each category of license to ensure the health, safety, and security of the public and the integrity of marihuana facility operations.
- (d) Establish qualifications and restrictions for persons participating in or involved with operating

marihuana facilities.

- (e) Establish testing standards, procedures, and requirements for marihuana sold through provisioning centers.
- (f) Provide for the levy and collection of fines for a violation of this act or rules.
- (g) Prescribe use of the statewide monitoring system to track all marihuana transfers, as provided in the marihuana tracking act and this act and provide for a funding mechanism to support the system.
- (h) Establish quality control standards, procedures, and requirements for marihuana facilities.
- (i) Establish chain of custody standards, procedures, and requirements for marihuana facilities.
- (j) Establish standards, procedures, and requirements for waste product disposal and storage by marihuana facilities.
- (k) Establish chemical storage standards, procedures, and requirements for marihuana facilities.
- (l) Establish standards, procedures, and requirements for securely and safely transporting marihuana between marihuana facilities.
- (m) Establish standards, procedures, and requirements for the storage of marihuana by marihuana facilities.
- (n) Establish labeling and packaging standards, procedures, and requirements for marihuana sold or transferred through provisioning centers, including a prohibition on labeling or packaging that is intended to appeal to or has the effect of appealing to minors.
- (o) Establish daily purchasing limits at provisioning centers for registered qualifying patients and registered primary caregivers to ensure compliance with the Michigan medical marihuana act.
- (p) Establish marketing and advertising restrictions for marihuana products and marihuana facilities.
- (q) Establish maximum tetrahydrocannabinol levels for marihuana-infused products sold or transferred through provisioning centers.
- (r) Establish health standards to ensure the safe preparation of products containing marihuana that are intended for human consumption in a manner other than smoke inhalation.
- (s) Establish restrictions on edible marihuana-infused products to prohibit shapes that would appeal to minors.

333.27207 Third-party inventory control and tracking system.

Sec. 207. A licensee shall adopt and use a third-party inventory control and tracking system that is capable of interfacing with the statewide monitoring system to allow the licensee to enter or access information in the statewide monitoring system as required under this act and rules. The third-party inventory control and tracking system must have all of the following capabilities necessary for the licensee to comply with the requirements applicable to the licensee's license type:

- (a) Tracking all marihuana plants, products, packages, patient and primary caregiver purchase totals, waste, transfers, conversions, sales, and returns that are linked to unique identification numbers.
- (b) Tracking lot and batch information throughout the entire chain of custody.
- (c) Tracking all products, conversions, and derivatives throughout the entire chain of custody.
- (d) Tracking marihuana plant, batch, and product destruction.
- (e) Tracking transportation of product.
- (f) Performing complete batch recall tracking that clearly identifies all of the following details relating to the specific batch subject to the recall:
 - (i) Sold product.
 - (ii) Product inventory that is finished and available for sale.
 - (iii) Product that is in the process of transfer.
 - (iv) Product being processed into another form.
 - (v) Postharvest raw product, such as product that is in the drying, trimming, or curing process.
 - (g) Reporting and tracking loss, theft, or diversion of product containing marihuana.
 - (h) Reporting and tracking all inventory discrepancies.
 - (i) Reporting and tracking adverse patient responses or dose-related efficacy issues.
 - (j) Reporting and tracking all sales and refunds.
 - (k) Electronically receiving and transmitting information as required under this act, the Michigan medical marihuana act, 2008 IL 1, MCL 333.26421 to 333.26430, and the marihuana tracking act.
 - (l) Receiving testing results electronically from a safety compliance facility via a secured application

program interface into the system and directly linking the testing results to each applicable source batch and sample.

(m) Identifying test results that may have been altered.

(n) Providing the licensee with access to information in the tracking system that is necessary to verify that the licensee is carrying out the marihuana transactions authorized under the licensee's license in accordance with this act.

(o) Providing information to cross-check that product sales are made to a registered qualifying patient or a registered primary caregiver on behalf of a registered qualifying patient and that the product received the required testing.

(p) Providing the department and state agencies with access to information in the database that they are authorized to access.

(q) Providing law enforcement agencies with access to only the information in the database that is necessary to verify that an individual possesses a valid and current registry identification card.

(r) Providing licensees with access only to the information in the system that they are required to receive before a sale, transfer, transport, or other activity authorized under a license issued under this act.

(s) Securing the confidentiality of information in the database by preventing access by a person who is not authorized to access the statewide monitoring system or is not authorized to access the particular information.

(t) Providing analytics to the department regarding key performance indicators such as the following:

(i) Total daily sales.

(ii) Total marihuana plants in production.

(iii) Total marihuana plants destroyed.

(iv) Total inventory adjustments.
